

i3HUDDLE OPS 304 4K

+ INTERFACE + APPS

A closed and secure environment for your meeting room. This solution comes with a fixed set-up which makes it impossible to unplug cables, change settings or mess up the software. As everything is predefined, the user will not experience unexpected and unpleasant events during the meeting. This all-in-one solution always lives up to your expectations and amazes your audience.

i3MEETINGHUB

CONNECT, COLLABORATE, SHARE & STORE MEETINGS

With its simple interface stripped to its bare essentials, i3 MEETINGHUB mimics the simplicity of traditional 'analogue' presentation tools that anyone can use. However, it is a powerful collaboration tool, allowing remote and local users to interact, brainstorm and present effortlessly. A i3Meetinghub Premium account for one year is included.
